TRAVEL WITH CHRIS BROWN

Meal Ticket to Memphis

Chris takes Miguel on a food extravaganza, exploring Memphis's most iconic, authentic and unusual eateries. First stop: Memphis' oldest and most iconic food establishment, The Arcade Restaurant, where the King himself chowed down on his favourite food - the Elvis sandwich (probably not called that back then). Next it's off to a little know grocery store, but very famous food truck business, Hattie's, famous for its hand-mixed hot tamales. Finally they hit The Flying Fish, home to the world's first 'Big Mouth Billy Bass Adoption Center'.
