Neighbours Baubles

HOT TIP: Print the page heaps! Seriously. Heaps. Go nuts with these baubles.

String them up like bunting, hang them on your tree, your rear-vision mirror, you could possibly even make earrings out of them.

Neighbours Christmas Cards

Nothing says 'I love you', 'You're amazing' or 'How funny is this?' than a Neighbours Christmas gift card. You might even want to sling one to a neighbour.
