

Series 8, Episode 39

RENOVATION WITH BARRY DU BOIS

Christmas Santa with Barry and Amanda

Barry invites Amanda to indulge in her newfound love of DIY and together they make the perfect Santa for home. Using a stencil, plywood and paint Amanda and Barry get to work on outlining, cutting and painting the small Santa ready to put near the tree or in front of your house. To say Santa is a success is an understatement.

Christmas Santa How To:

- Download the Santa stencil from our website: <https://10play.com.au/the-living-room/articles/diy-santa-claus/tpa191218pymfh>
- Cut out the black lines on the stencil using a scalpel or sharp tool.
- Cut a piece of plywood to size, attach the Santa stencil to the plywood making sure it is nice and flat.
- Paint the cut out areas.
- Cut out the stencil using a Jigsaw or other tool which can work around curves.
- Paint your Santa using black, red and white paint or any colour of your choice.
- Trim the wadding to create a beard for Santa and the attach using a glue gun or other adhesive.

FOOD WITH MIGUEL MAESTRE

Christmas Ham with Cherry Glaze

Making Christmas easy, this cherry glaze will become an instant family favourite.

Christmas Ham with Cherry Glaze

Ingredients

3-4 kg free-range carving ham
1 cup apple cider or sparkling apple juice
½ cup raw sugar
½ cup cherry jam
2 tbs Dijon mustard
2 tbs whole cloves
Fresh rosemary and bay leaves to decorate
Condiments, to serve

Steps

1. Preheat oven to 200C.
2. Combine cider, sugar and cherry jam in a saucepan; bring to the boil. Simmer rapidly for 10-15 minutes or until the glaze is syrupy; remove from heat and stir in mustard. Allow to cool.
3. Meanwhile, run thumb under rind to separate from fat. Peel back, sliding fingers under rind to remove while keeping the fat in place.

LIVING ROOM FACT SHEET

- Using a sharp knife, score the fat, diagonally, at 3cm intervals to form a diamond pattern. Be careful not to score the fat too deeply or it may slide off during cooking and give an uneven finish.
- Push one whole clove into the centre of each diamond. The cloves help hold the fat layer in place. Bake, basting twice with the cherry mixture for 20-30 minutes, until caramelised. Serve warm or at room temperature.

Christmas Pudding

Serves 8-10

Ingredients

1 cup mixed dried fruit
3/4 cup boiling water
½ tsp bicarbonate of soda
1¼ cups plain flour
½ cup dark brown sugar
3 tsp baking powder
1 tsp mixed spice
Pinch salt

LIVING ROOM FACT SHEET

250g packet prepared suet mix

1/3 cup milk

1/3 cup Pedro Ximenez, (Spanish sherry) or extra orange juice

1/3 cup golden syrup

Zest 1 small orange, plus 1/3 cup orange juice

Decoration

Softened butter, for greasing pudding basin

6 Blanched almonds, 1 slice glace orange, 1 glace apricot, 1 glace prune, ½ glace peach, 3 red and 3 green glace cherries

Double thick cream, to serve

Instructions

1. Put the dried fruit, bicarbonate of soda and boiling water in a medium heatproof bowl. Cover with cling film. Stand 15 minutes. Drain, discarding the liquid.
2. Meanwhile, for the decoration, brush the pudding basin with softened butter. Place the almonds and glace fruit in the base of a 2 litre non-stick metal pudding basin with lid.
3. Combine flour, sugar, baking powder, mixed spice, salt and suet in a large mixing bowl. Mix well, then make a well in the centre.
4. Add drained fruit, milk, sherry, golden syrup, juice and zest. Mix well. Spoon into pudding basin over glace fruit. Secure lid.
5. Place an upturned heatproof saucer in the base of a large saucepan (big enough to hold the pudding). Place the pudding basin on saucer in the pan. Add enough boiling water to the pan to come 3/4 up side of the basin. Bring to a simmer over medium heat. Cook, covered, adding more boiling water as necessary, for 2 hours and 45 minutes or until a skewer inserted into centre comes out clean.
6. Set aside for 5 mins before inverting onto a serving plate. Serve with double thick cream.

CHRISTMAS HAMPER PRODUCTS CONTINUED

VTech KidiGear Walkie Talkies – RRP \$49.95

- These kid-safe, two-way radios from VTech feature a digital connection that's clear and keeps children's conversations secure, preventing other walkie talkie users from listening in or chatting with them.
- Keep in touch with your sibling downstairs or the neighbour next door with a huge 200m range!
- Kids can also send messages back and forth by choosing from pre-set animated messages using the large, backlit LCD screen.
- The walkie talkies also include four two-player games for real-time gaming between devices.
- The KidiGear Walkie Talkies are suitable for children 5+ years, and available now at Big W, JB Hi-Fi, good toy stores and online retailers

VTech Learn and Dance Dino – RRP \$49.95

- This clever dino from VTech introduces the STEM basics of coding, movements, cause and effect, as well as emotions and fine motor skills.
- Mix and match the emotion tiles to create 27 different combinations of emotions, music styles and characters such as happy hip-hop dino or angry marching monster.
- Place the colourful tiles on Dino's back to customise how you want to play with him. Every time a tile is inserted, Dino moves, sings, dances, talks and encourages children to follow along for gross-motor play.
- Experimenting with the emotion tiles helps children build social and emotional skills. Angry Dino may stomp around or say, "Let's practice calming down," helping children learn that there are many ways to express feelings.
- When playtime is done, store the tiles in the dinosaur egg.
- The Learn & Dance Dino is suitable for children 2-5 Years, and available now at Target and Kmart, good toy stores and online retailers.

Atmosfear Board Game – RRP \$49

Your worst nightmare is back, ATMOSFEAR™, the global best selling interactive board game.

ATMOSFEAR™, the video board game, that took the world by storm. returns with new technology to take board games to the next level.

The Video board-game NIGHTMARE was created and launched in 1991 by ex Simon Townsend's Wonder World! reporters Phillip Tanner and Brett Clements and featured a ghoulish video host called The Gatekeeper, whose job it was to interrupt the board game play and stop players at every turn. Blasting off the shelves the game exceeded all sales expectations worldwide selling over two million copies within two years of launching making it Australia's Number #1 selling board game. Globally the game was rebranded as ATMOSFEAR™ and achieved countless accolades in the toy industry including being granted the award of 'Most Successful 'Advance Sale' Board Game in the world'. In 1992 ATMOSFEAR™ was the number one game in Australia, NZ, the UK, Canada, France and a number of European countries. It was also globally voted the 'Best New Game' and 'Most Controversial Game' in New York. To date, ATMOSFEAR™ has sold more than a quarter of a million units in Australia and 4 million world wide and has been recreated in seven different languages and sold in seventeen different countries.

Having started as a Video Board game it progressed through the evolution of technology to be relaunched in 2004 as a DVD Board game and now in 2019 it's back and this time it's app! The

LIVING ROOM FACT SHEET

Interactive board game ATMOSFEAR™ is still played by up to six players around a board but is now done in conjunction with your smart TV and through an app on your smartphone.

Be prepared to sweat as you race against time, your competitors and most importantly your host, The Gatekeeper. It is a game of skill strategy and luck, with the countdown beginning as soon as the game starts. You must be prepared to beat the clock, attempting to collect one key from each of the six Realms before The Gatekeeper interrupts you, at which point everyone must stop to obey his rude, often humorous, interjections answering him with 'Yes My Gatekeeper!'. Guaranteed to cause hours of laughter and frightening fun, The Gatekeeper will have your heart racing as you try to stop the clock before he stops you.

"Don't say we didn't warn you maggots!" The Gatekeeper.

THE SALVATION ARMY

The Salvation Army Australia is an international Christian movement, united by faith and giving hope where it's needed most. Across Australia – in cities, country towns and rural communities – our work touches every demographic and age group. We're involved in national issues while also bringing hope to people who may be experiencing hardship or injustice.

Since our foundations in nineteenth century London, we express our faith in charitable work to provide both the spiritual and the social support. We believe that with one hand we reach out to God and with the other we reach out to the world.

As both a church and charity, we can preach and speak about justice, compassion, and other issues that support the welfare of others and see them as a whole person – body, mind and spirit.

To donate to the Salvation Army, please visit their website: salvationarmy.org.au
