# Flly's Spicy Pineapple Margarita

MAKES APPROX. 6 COCKTAILS

#### INGREDIENTS

- 1 cup of tequila (look for brands labelled with '100% agave')
- 1 cup of Cointreau (or any type of triple sec will work also)
- 1 cup of freshly squeezed lime juice
- 3 ½ cups of chilled pineapple juice
- 6 whole jalapenos
- 6 lime wedges
- ■1tbsp of salt

- ½ tbsp of chilli powder
- ½ lime
- 6 short cocktail glasses
- ■1small plate
- ■1cocktail shaker
- 3 cups of ice
- Optional: 6 pineapple wedges

#### METHOD

- Slice three whole jalapenos and place into the cup of tequila. Leave for a minimum of 15 minutes to infuse; longer if you want the mixture to be extra spicy.
- When ready, discard the jalapenos and seeds from the cup of tequila. Pour the tequila, Cointreau, lime juice and pineapple juice into a cocktail shaker and shake vigorously. Note: If you don't own a cocktail shaker, you can add the mixture into a jug and stir quickly.
- Pour the salt and chilli powder onto a small plate. Mix the two ingredients well and then spread the mixture across the plate.

- Run half a lime over the rim of one glass, then turn the glass upside-down and dip into the salt and chilli mixture. Repeat this process for all the glasses.
- Fill each glass with ice, then pour the mixture evenly into the glasses.
- Slice the 3 remaining jalapenos vertically in half, leaving you with 6 slices. Place one slice into each glass.
- Garnish-each glass with a lime wedge and pineapple wedge, if using.

Enjoy the show and drink responsibly!
